## Society of Fellows of Southern Alberta Award for Insurance & Risk Management Award

*Dear Donor of Society of Fellows of Southern Alberta Award for Insurance and Risk Management: I am writing to thank you for your generous scholarship grant. I was ecstatic to learn that I was selected as the recipient of your scholarship. I am a 2nd year Business Administration Diploma student major in Insurance and Risk Management. I plan to pursue a career in the Insurance upon graduating from Bow Valley College. I have successfully taken and passed some of the courses which are geared towards a CIP and CRM designations and plan to graduate in the winter term of 2018. After graduation, I plan to take up more courses to gain the designations mentioned above and thanks to you, I am one step closer to that goal. By awarding me the Society of Fellows of Southern Alberta Award for Insurance and Risk Management scholarship grant, you have lightened my financial burden which allows me to focus more on the most important aspect of school, learning. Your generosity truly inspired me to focus on learning and do my best to finish and excel in the courses I have taken and will be taking in the future. I hope one day I will be able to help students achieve their goals just as you have helped me. Thank you very much!*

***Sincerely,***
